

Kit Adrian B. Diocares

kitadrian.diocares@dorsu.edu.ph | kit-adrian-diocares.vercel.app | github.com/flklr-dev

Skills

Languages: JavaScript, TypeScript, HTML, CSS, Java, Python, PHP

Tools/Technologies: React, React Native, Expo, Github, Node.js, AWS, Docker, Claude

Experience

Freelance Mobile App Developer, Fiverr December 2024 – February 2026

- Developed cross-platform mobile applications using React Native, Expo, and TypeScript, translating client requirements into functional Android and iOS apps.
- Implemented key features such as navigation, state management, and API integration to support MVP development and usability.
- Used Git and AI-assisted coding tools to deliver efficient, maintainable solutions within client timelines.

Intern Web Developer (386 hours – Practicum), Davao Oriental State University February 2026 – Present

- Contributed to the development of a Human Resource Information System (HRIS).
- Built multiple modules like job posting and application, and employee data management.
- Collaborated with team members to integrate core HRIS modules.

Projects

EVA Alert

- Developed an emergency SOS mobile application using React Native and Expo.
- Implemented SOS alerts, emergency contact notifications, and location sharing.
- Designed a simple and reliable UI for use in high-stress emergency scenarios.

fintech

- Developed a React Native, Expo mobile app for AI-powered coffee leaf disease detection.
- Implemented on-device TensorFlow Lite and YOLOv8 inference, camera-based scanning, geolocation tagging, and variety- and stage-specific treatment recommendations.
- Built a Node.js / Express / MongoDB backend with JWT auth, offline scan sync, and multilingual support.

PAWSport

- Developed a React Native + Expo mobile application for generating AI-powered pet identity cards.
- Implemented AI image processing for automated background removal and formal costume compositing.
- Built and integrated a Supabase backend with PayMongo for subscription payments.

Education

Davao Oriental State University – BS in Information Technology

Dean's Lister (2022-2025)

Expected June 2026
